

Do you want to make your most beautiful day truly memorable? Do you dream of a wedding with good music? Music that can accompany you and those you love towards the altar? A music that can accompany you during the reception or during the cutting of the cake? Some songs chosen with you, for you. Or were you thinking of making a corporate event more original or maybe you were planning a private event?

The good news is that if you live in Piedmont, the answer is yes, you can have it all.

522 EUR is the base fee for a piano recital. The amount can vary depending on the characteristics of the event. Send me your request with sufficient notice to better outline the details, any fellow musicians to involve, and the costs.

# Experience the music!

210 EUR is the base fee for weddings. The amount can vary depending on the requests of the couple (playing during the reception, etc.). Live piano music can provide a beautiful and romantic backdrop to your wedding ceremony, from the moment your guests are seated to your exit down the aisle as newlyweds. My art will create the perfect atmosphere.

The arrival of the guests (3-6 musical pieces)  
The entrance or "procession" of the bride (usually 1 musical piece)  
The signing of the register (often 2-3 musical pieces)  
The exit or "Recession" of the bride and groom (1 piece of music)

## THE CAUSE FOR MUSIC AND BEAUTY.

Tired of listening to soulless music from anonymous speakers? No more meaningless compromises! Here's your chance to immerse yourself in an extraordinary musical experience. Reject the overly high price you pay when you deprive yourself of the universal language that has always accompanied humanity in crucial moments and deep solitudes!

The fee will be adjusted according to the instrument, which may require renting.
